

## Peter Seley

### Environmental enforcement defense

Mr. Seley has defended clients in numerous State and Federal enforcement actions, involving a variety of different statutory and regulatory programs. Representative matters include:

- Defense of a pulp and paper industry client in a \$600 million Clean Air Act/New Source Review EPA enforcement action in Maryland.
- Defense of an aerospace industry client in a large CERCLA/RCRA groundwater cleanup action in Southern California.
- Defense of a manufacturing client in a multi-million dollar CERCLA claim in Pennsylvania federal court involving novel successor liability issues.
- Defense of a municipal client in a multi-site Clean Water Act /RCRA criminal enforcement action in Virginia.
- Pre-enforcement defense of several clients investigated or in receipt of Notices of Violation under the Clean Air Act, Clean Water Act, RCRA, and State analogues.
