

Betriebsrat ohne Zeugnisverweigerungsrecht

Publications | November 20, 2019

Munich partner Mark Zimmer is the co-author of "[Betriebsrat ohne Zeugnisverweigerungsrecht](#)" [PDF] published in the issue 47/2019 of the German publication *Betriebs-Berater*, together with Camilla Bertheau. The article stresses the often neglected fact that German works council members cannot refuse testimony in judicial proceedings regarding any facts employees have entrusted to them.
