

Comparative Guide to Restructuring Procedures in the UK, US, DIFC, ADGM and UAE

Client Alert | January 12, 2021

We are pleased to present a comparative guide to restructuring procedures in the UK, US, DIFC, ADGM and UAE.

The easy-to-use comparative guide is organised by key aspects of the restructuring processes and compares and contrasts the selected restructuring regimes in each jurisdiction so that the reader can easily identify the differences.

The comparative guide will be particularly relevant for clients operating in the UAE who may be considering restructuring options in the current market conditions.

Gibson Dunn's Middle East practice focuses on regional and global multijurisdictional transactions and disputes whilst also acting on matters relating to financial and investment regulation. Our lawyers, a number of whom have spent many years in the region, have the experience and expertise to handle the most complex and innovative deals and disputes across different sectors, disciplines and jurisdictions throughout the Middle East and Africa.

Our corporate team is a market leader in MENA mergers and acquisitions as well as private equity transactions, having been instructed on many of the region's highest-profile buy-side and sell-side transactions for corporates, sovereigns and the most active regional private equity funds. In addition, we have a vibrant finance practice, representing both lenders and borrowers, covering the full range of financial products including acquisition finance, structured finance, asset-based finance and Islamic finance. We have the region's leading fund formation practice, successfully raising capital for our clients in a difficult fundraising environment.
