

Gibson Dunn Named Among Top International Firms Active in India

Accolades | August 12, 2020

India Business Law Journal

Gibson Dunn was listed as a Key Player in the *India Business Law Journal's* 2020 report, "A Cut Above The Rest," recognizing the top international firms that are active in India. A source quoted by the publication described Gibson Dunn as "an outstanding firm," and noted that Singapore partner "**Jai Pathak** is one of the very best and most experienced India lawyers around at international firms." The list was published on August 12, 2020.
