

Gibson Dunn Ranked Among the World's Top Data Practices by GDR

Accolades | March 16, 2021

Global Data Review

Gibson Dunn was ranked in the 2021 edition of Global Data Review's [GDR 100 Elite](#), a list of the world's top 20 data practices. The firm was recognized as a contentious standout, with the report noting that "Gibson, Dunn & Crutcher appears to have the strongest practice overall." The firm was also recognized as a litigation standout, with the report stating that "Gibson Dunn upholds its reputation as a fighter: it has plenty of noteworthy litigation jobs." The GDR 100 was published in December 2020.

Gibson Dunn's Privacy, Cybersecurity and Data Innovation Practice Group has a demonstrated history of helping companies successfully navigate the complex and rapidly evolving laws, regulations, and industry best practices relating to privacy, cybersecurity and data innovation. Our global and interdisciplinary team advises clients across a broad range of industries in high-stakes matters on the full spectrum of issues in these areas.
