

Howard Hogan and Ilissa Samplin Named Among Leading Trademark Lawyers in 2023 by World Trademark Review

Accolades | February 9, 2023

World Trademark Review

World Trademark Review named Los Angeles partner Ilissa Samplin and Washington, D.C. partner Howard Hogan in the 2023 edition of *WTR 1000: The World's Leading Trademark Professionals*. This guide "identifies the top trademark professionals in key jurisdictions around the globe." Gibson Dunn was also recognized for its trademark practice in the D.C. metro area. The guide was published on February 7, 2023. Howard Hogan's practice focuses on intellectual property litigation and counseling, including trademark, copyright, patent, false advertising, right of publicity, licensing, and trade secret matters. He has represented various corporations and individuals in a broad range of industries, including financial services, sports, fashion, cosmetics, entertainment, transportation, pharmaceuticals, and online services. Ilissa Samplin handles complex commercial litigation, entertainment and technology disputes, and intellectual property litigation and counseling. She has represented corporate and individual clients in the media, entertainment, and technology industries in a wide range of litigation in both federal and state court, including breach of contract, unfair competition, copyright, trademark, and trade secret matters.
