London

Trinh Chubbock is a partner in the London office of Gibson, Dunn & Crutcher. Trinh is a member of the Projects and Infrastructure Practice Group.

Trinh is an energy specialist focusing on project developments, M&A transactions, and commercial contracts. She has a broad practice covering the full value chain from upstream oil and gas to downstream sectors, with experience in midstream work and LNG. She also focuses on renewable energy and energy transition.

She has been recognised by *The Legal 500 UK 2024* for Power (including Electricity, Nuclear and Renewables)

Trinh received her Bachelor of Arts from Boston College and is admitted as a solicitor in England and Wales.

### Selected experience\*:

- Chevron on all aspects of its upstream interest in the supergiant Tengiz Field in Kazakhstan.
- BOC, a Linde company, in relation to the proposed H2H Saltend low carbon hydrogen project involving a 600-megawatt low carbon hydrogen production plant with carbon capture, the first of its kind and scale, helping to establish the Humber Region in the UK as an international hub for low carbon hydrogen.
- Hydro REIN in connection with behind-the-meter energy solutions to industrial customers, including solar power generation, battery energy storage systems (BESS) and other energy efficiency solutions.
- The Dow Chemical Company on the \$10.5 billion financial and commercial restructuring of its joint venture with Saudi Aramco in relation to the \$20 billion world-scale integrated Sadara chemicals complex in Saudi Arabia. Awarded MENA Petrochemicals Deal of the Year at the *IJGlobal Awards, 2021*.
- The Dow Chemical Company on various project development opportunities in Saudi Arabia.
- Abu Dhabi Oil Refining Company on its disposal of two industrial waste treatment plants in Al Ruwais Industrial City, UAE to a consortium of Veolia, ADQ and Vision Invest.
- Abu Dhabi National Oil Company on a joint venture with OCI N.V. to create the largest export-focused nitrogen fertilizer platform globally and the largest producer in the MENA region.
- Abu Dhabi National Oil Company on the sale of a minority interest in ADNOC's refinery business to OMV and ENI where the business was valued at c. \$19bn, involving the carve-out of a fully integrated oil company's refinery business.
