New York

Lisa L. Jacobs is a Senior Counsel working with Gibson, Dunn & Crutcher's Capital Markets Practice Group.

Lisa has unparalleled experience in the capital markets having advised on more than \$1 trillion in securities offerings globally over a nearly four-decade career. She has advised major corporations and investment banking houses on disclosure matters, liability management and capital markets transactions, including the creation of new types of securities. She has advised C-Suites and corporate boards on corporate governance, transformational transactions and capital raises throughout economic cycles and unprecedented times. Throughout her career, Lisa has been consistently recognized as one of the top women transactional lawyers.
