

Webcast: The Impact of the California Privacy Rights Act (CPRA)

Webcasts | January 22, 2021

The California Privacy Rights Act (CPRA) was passed in November by California voters and will take effect January 1, 2023. In this webinar, we will walk through the most significant additions and how businesses should consider these changes in light of their current CCPA compliance programs. We will also discuss expectations regarding the new enforcement regime, as well as examine the first year of private litigation under the CCPA and what we expect to see in the coming year.
