

Gibson Dunn Early Interview Plan

In an effort to be transparent, we want all rising 2Ls to be aware of our interview plan for their law school for our 2025 Summer Associate Program. Please review the dates for which we will be interviewing for your school, as well as ways you can apply if we will not be participating in a formalized program.

Please submit your application materials via your school's early application program.

Shortly after we receive your materials, you will be notified via email if you have been selected for a virtual screen.

Interviews will be on-going throughout the months of June and July (page 2).

If your school has an early application program, please reach out to your CSO for more information.

If we are not participating in a program at your school, we invite you to apply through our website.

We anticipate that our general application will launch on June 17.

FAQ

What if I cannot make the interview date work? For schools with early application programs, we will be offering a specific date (*please see page 2*) for screening interviews and we may not be able to accommodate interviews outside of your school's assigned date. We believe that the single-day interview format promotes fairness for all interested students. **We ask that you schedule your interview within 48 hours of receiving your invitation.**

Will Gibson Dunn also be participating in OCI? We plan to participate in OCI on a very limited basis with the exception of a handful of schools. Please see page 2 for our plans for your law school.

When will callbacks be conducted? We anticipate scheduling callbacks for late June and July.

What is Gibson Dunn's offer deadline? 14 days. This allows us to maximize opportunities for all students interviewing with Gibson Dunn. We will consider offer extensions on a case-by-case basis when needed for individual circumstances and to keep in line with your career office's guidelines.

I'm also interested in the diversity scholarship. Do I need to apply to both? Yes. Please apply through both your school's preview program or resume collect *and* our diversity scholarship for consideration. More information can be found on our website.

What if I'm interested in multiple offices? We ask you to pick one primary office for your application.

Who should I contact if I have questions throughout the process? Please reach out to **Brooke Wilson**, Sr. Manager of Recruiting Outreach, at bwilson@gibsondunn.com with any questions.
