Public Policy Update

White House Executive Order Tracker

Gibson Dunn understands that the flurry of executive orders and other announcements from the White House during President Trump's opening days is difficult to follow. To assist, we have taken on the assignment of cataloging and digesting each order as it is announced.

The [Executive Order Tracker](#) includes the executive orders and other significant announcements made by the Trump Administration to date. The list includes a summary of each order and announcement as well as information on the agencies involved and subject matters covered. It also includes links to more in-depth analyses Gibson Dunn has prepared on a number of the executive orders.

The Tracker will be updated promptly upon the issuance of new announcements and orders.

If you have questions about any of the executive orders, please do not hesitate to reach out to the Gibson Dunn lawyer with whom you usually work or the team below.
